JOHN MORAN (right) past commander of the American Legion Post, Antioch, announces the presentation of a new 50-star flag to the school by the post. Principal A. L. Dittman (left) received the flag for the school. Lynn Cheatham, flag-bearer at left, and other members of the color guard participated in the ceremonies Friday in the high school gym immediately preceding the basketball game between Antioch and Elmhurst.

112 Students on Honor Roll of Antioch High

One hundred and twelve students of Antioch Township High School are honor students for the second six-weeks grading period, it was announced today by Principal A. L. Dittman.

Jean Van Haecke, Karen Lightsey and Brian Elliott led the 36 seniors with "A" averages. Leading the sophomore class were John Hallwas and Janet Polley with straight "A's." Plan Oil Pipe Line Through Lake Villa

Land agents are currently negotiating with property owners in sections of Grayslake and Lake Villa through which a 280 mile oil pipe line will be built.

The pipe line, running from East Chicago, Ind., to Green Bay, Wis., is being planned by a Shreveport, La., firm, West Shore Pipe Line Co., a subsidiary of the Interstate Pipeline Co. The firm will construct the pipe line for 10 major oil companies, as yet unnamed and in the midst of a corporate organization.

The exact location of the line is uncertain, but will follow a northerly course along the Soo Line tracks to Rt. 21. The line is being built because of increased consumption of oil and oil products in Wisconsin, and is expected to solve a major problem of transportation of these products.

Student Semi-Finalist In Scholarship Contest

Charles L. Bruhn, 423 Winsor Dr., has been named as one of the semi-finalists selected by the Illinois State Scholarship Commission in competitive examination Nov. 5.

Bruhn is one of 5,129 semi-finalist from 21,334 applications and will be asked to provide the commission with further details of his qualifications, including record in high school and state of family financial circumstances.

The examination was a prelude to selection of 1,500 students to be named in March, 1941, as eligible for financial aid up to a maximum of \$600 at an approved college of their choice within the State of Illinois.

The program was first put into operation in 1938, and the state is spending more than \$1,500,000 this year on assistance to students attending public and private colleges in the state.

Lake Villa Re-elects Veteran Fire Chief

By Mrs. Fred Bartlett

LAKE VILLA — Ervin Barnstable, Sr., was re-elected fire chief of the Lake Villa Fire Department for his 25th year.

Chief Barnstable joined the force 25 years ago and has been chief ever since. The election was held at the department's annual meeting Tuesday, Dec. 7.

The veteran chief's brother, Vern, is a member of the Antioch Township Fire Department.

\$437,000 Sewer System Proposed

SALEM, Wis. — Whether or not the Town of Salem will install a sanitary sewer system and sewage treatment plant to serve the Salem-Hooker Lake area will be discussed at a meeting of property owners and residents tomorrow night at the Salem Consolidated School.

Notices of the meeting and reports of engineering research on the project were mailed out to residents recently and a capacity attendance is expected at the meeting starting at 8 p.m.

Members of the board will present the plan to provide a sanitary sewer system for the 560-acre district. Costs are estimated at \$437,000, including \$337,100 for sewer lines and \$100,000 for the treatment plant. The law does not require a referendum on the sewer system.

Mrs. Ruth Hallwas Dies; Life-Long Resident

Mrs. Ruth E. Hallwas, 42, of 1045 Osmond Ave., died at her home Sunday morning at 6:15 a.m.

She was born Nov. 23, 1918, on the Tamarack Farm on Highway 173, east of Antioch and had lived in Antioch Township all her life.

She was a member of St. Ignatius Episcopal Church and vice-president of the Women's Auxiliary of that church; also a charter member and past Sr. Regent of the Women of the Moose, Antioch Chapter 735.

She is survived by her husband, Emil; four sons, James, John, Roger and Brian of the home; her parents, Curtis and Ida Wells, Antioch; three sisters, Mrs. Lillian (Rod) Ames of Zion, Mrs. Virginia (Andrew) Magiera, Antioch, and Mrs. Shirley (Harold) Butler of Waukegan; and four brothers, Howard of Hammond, Ind., Raymond of Waukegan, Richard of Antioch and Warren Wells of Wadsworth.

Services were held Wednesday afternoon at the Strang Funeral Home with the Rev. Edmond Hood officiating. Burial was in Hickory Union Cemetery.

Grass Fire

The Antioch Township Fire Department was called at 11:30 a. m. Monday to extinguish a grass fire on Trevor Road, 4 mile north of North Ave.

Three pieces of equipment answered the call, a pumper and two Jeeps.

Salem Votes \$95,000 School Addition

PADDOCK LAKE, Wis. — Electors at Salem Central High School voted themselves an educational Christmas present this week—a five-room addition to the present school that will be ready for use next September.

Total cost of the building renovation program approved Monday by 103 district electors will be \$95,000. The vote was 85 for the program, 18 against.

The school board and school officials are going full speed ahead with the program, and bids will be let as the final architect's drawings now being prepared by Derald

Key Decisions Face High School Board

Reject Move To Split School Dist.

WILMOT, Wis. — School officials at Wilmot Union High School turned back to the business of education with a sigh of relief this week, after a bid to detach a large portion of the Wilmot District went down to an unceremonious defeat.

School Principal Marlin Schnurr hailed the rejection of the secession petition Monday night at a hearing conducted jointly by the Kenosha and Walworth County School Committees in Genoa City.

A crowd of over 350 persons attended the hearing, with the majority of the speakers voicing opposition to the proposed detachment.

The 12-member committee voted down the proposal, 9 to 3.

"I am pleased by this action of the joint committee," said Schnurr. "The large attendance at the hearing indicates that people of the district are keenly interested in the educational welfare of their children."

Schnurr and School Board President Henry Beardz backed the opposition at the hearing, protesting a move which would have switched \$64 million in taxable property from the Wilmot District to Lake Geneva Badger High School District.

Many other district residents joined them in speaking out against the proposal, and many told of their confidence in the quality of education received by students at Wilmot High.

The major argument held by opponents of the shift was the superior physical plant at Badger High. But most agreed that in curriculum, administration and faculty, there was little difference between the two schools.

In the crowd of about 350, there were 35 or 40 representing the petitioners, according to observers. Others came either to oppose the move, or else to learn more about the proposal.

In his talk at the hearing, Schnurr lashed out at "unfounded stories or rumors" that belittled Wilmot High School. He defended the record of the school—in its accreditation, quality of curriculum and faculty, and the records of its graduates in college work.

Schnurr said the propaganda "would lead one to believe that Badger High School is an ultra-progressive school and that Wilmot High School was a sort of second or third rate institution."

He called attention to the fact that "Wilmot High School has been a pioneer in some areas which are today almost taken for granted in a good school system, and that 'we are still pioneering in certain areas and will be in the future.'"

He cited the school hot lunch program, started in 1937, and the beginning of student transportation for all students back in 1942 as examples. Another pioneering move was the establishment of a department of Vocational Agriculture.

In closing, Schnurr said:

"Maybe we don't have the most beautiful building. Maybe we don't advertise our strong points as much as some schools do. We do need additional facilities. This is not an uncommon situation. We know we have weaknesses which we are continually striving to improve, but we also are running a very fine educational institution. Please do not take any action which will prevent it from continuing to grow. We need every dollar of tax base that we have in order to provide good, sound wholesome edu-

'Operation Santa Claus' Enters Final Stretch

This Christmas will "certainly be a toytful one for needy boys and girls of the Antioch area if the public continues to support the Moose 'Operation Santa Claus' as it has the past week, according to Robert Avery, chairman of the Moose Lodge Civic Affairs Committee.

This is the final week of the campaign, Avery announced, in urging residents to dig deeper for usable, but discarded toys. "The need is always greater than the supply, and village residents are being most generous," he said.

Highly endorsed by village officials, the campaign has been praised by Village President Murrill Cunningham; Chief of Police Walter Scott, Fire Chief Edgar Simonsen and village board members, who term it "a worthy cause in the true spirit of the season."

A virtual avalanche of toys has resulted from Moose appeals over the past week, and more are needed, it was emphasized. Men and women volunteers, assisting the members of the Moose committee, are busy sorting, classifying and wrapping toys contributed in a race to meet the Christmas distribution deadline.

Toys will be distributed in trucks and drivers donated by I and K Masonry, Charles Meierdick, Nelson & Meyer Painting, and Antioch Landscaping.

Meanwhile, enter into the spirit by leaving those usable toys at the following collection depots: IGA Foodliner, routes 59 and 173; Art's Paint Store, 406 Lake St.; Merry-Go-Round Bakery, 402 Lake St.; Lyons and Ryan Ford Sales, 639 Main St.; Town for Men and Boys, 907 Main St.; and Antioch Moose Lodge, 888 Main St.

Plan Board Meeting On Proposed Referendum

By Mrs. Pearl Kappel

CHANNEL LAKE — A proposed referendum for a gymnasium for the Channel Lake school will be discussed by members of the board of education at a meeting Tuesday, Dec. 20.

In announcing the meeting, board officials stressed the importance of the discussions and urged residents who have any questions concerning the proposal to attend next week's meeting.

Two Brush Fires

The Antioch Township Fire Department was summoned to extinguish two brush fires in the Channel Lake area Monday. The first call at 2:45 p.m., involved a fire at the dump one mile south of Antioch, which was threatening several structures on an island. The second, at 4:45 p.m., was a prairie fire. No property damage was done.

ation for all the students in the District."

Bierdz, in his talk, cited enrollment and tax base figures of the Wilmot District, and the events leading up to presentation of the detachment petition.

He wound up his plea with this comparison:

"If Badger High School were to lose \$64 million worth of valuation and only 15 students to Big Foot, Delavan-Darien, Burlington, Elkhorn, Salem Central or Wilmot, it would be unfair to Badger High school if such a situation were approved. By the same token it is unfair to Wilmot Union High School District to have it happen to them."

New Addition, Rail Crossing Under Study

Next week's meeting of the Antioch Township High School Board, Dec. 21, shapes up as one of the most significant over the past several years, when board members are expected to consider:

1 — High school addition plans ranging from \$800,000-plus to upwards of \$1,000,000, which are expected to be presented to voters in referendum within the next few months.

2 — Discussion of improvements of the 19-acre athletic field east of the Soo Line tracks.

3 — Firmer negotiations with Soo Line officials on the question of safe passage between the present school campus and the athletic field and —

4 — Acquisition of some 6,000 cubic yards of fill from soil along the east side of the railroad embankment.

Although it was made clear that school addition plans are not firm at this time, action must be taken on a decision in the near future if high school population demands are to be met.

Latest plan, third in a series which have been under study over the past year, envisions a new addition for 450 students in front of and parallel to the existing school facing on Main Street, and a new facility immediately behind the existing gymnasium.

Plan No. 3 would provide facilities for 11 academic classrooms, three labs, one department office, eight restrooms, cafeteria-kitchen equipped to handle 400 students per shift, library and study hall. The facility next to the gym would encompass an all-purpose room, concession area, phys-ed stations, locker-shower area, band room and storage area. Plans would include certain remodeling and alterations to the existing school plant and possible renovation of heating-ventilating facilities.

Total cost is estimated to approximate \$850,000, slightly under \$15 per square foot including various appurtenances, favorable rate under existing costs.

Also slated for discussion next Wednesday will be levelling and fill of certain areas of the 19-acre athletic field. This would include stripping some 6,000 cubic yards of overburden from the east side of the railroad embankment and distributing it where necessary. Officials are giving the dirt to the Soo district. Cost of handling will be assumed by the district.

Negotiations are expected to get underway in earnest concerning passage across the railroad as a result of a meeting of the board, board architect, board attorney, and a Soo Line representative.

To permit safe access and egress to the field, the board and rail officials are studying the merits of an overpass, underpass and guarded crossing. From the points of safety and economy, a guarded crossing seems to rank in favor.

Such a crossing would consist of gates, flashers and fencing to channel pedestrians. During periods of extensive use, as during athletic events, a guard would be stationed at the crossing.

Following the report Nov. 16 by Norman Jedele, CPA and board accountant, that the district was "in the black" during fiscal 1939-40 for the first time in years, taxpayers are expected to receive another boost in the form of more favorable insurance rates as a result of installation of a school sprinkling system. A complete report will be given Wednesday by Bernard Osmond, agent.

Present at last week's meeting were board members William Brook, Robert Denman, Richard Ripley and Milburn Cain, principal A. L. Dittman, assistant principal Warren Polley, school attorney Ted Larson, school engineer Porter Larson, school architect Gilbert Johnson and educational consultant Arthur Lundahl.

Contracting Firm Issued Charter

B.K.S. Construction Co., RR No. 1, Antioch, has been issued a charter of incorporation, according to the office of Charles F. Carpentier, secretary of state.

The firm, organized for general contracting for the building and construction of homes, commercial units and similar work, has as principals Frank J. Benes, Richard J. Stroner and Genevieve Benes.

Fox River Improvement Hearing Is Scheduled

A public hearing on survey of flood control improvements for Fox River and tributaries will be conducted at 10 a. m., Jan. 24, at the city courtroom, 202 E. Chicago, Elgin, Ill.

Interested parties, including representatives of county and municipal agencies, are urged to attend the hearing. The report will be made by the district engineer, Chicago District, Corps of Engineers, U. S. Army.

DEAR READER News Editorials

The True Spirit

Some 50 student members of the Future Homemakers of Grant Community High School are setting an example of the true spirit of Christmas that might well be emulated by their elders.

The girls have been busy in after-school hours over the past few weeks making stuffed animals, pillows, toys and pajama bags to fill Yule stockings at the Sunny Ridge Children's Home in Wheaton, Illinois.

Under their sponsor, Mrs. Roger Bergeson, the girl Homemakers are insuring a pleasant Christmas for homeless children. But we doubt if the Christmas of the children will rival the true spirit that will be experienced by the givers.

It often takes age to realize that the true happiness lies in giving rather than receiving. And the act of these Grant students goes far to dispell the image of the jack-booted, leather jacketed teen rowdy and his cabbage-headed, chain-smoking companion.

It goes far to remind many of us that the vast majority of youngsters are cut from the same cloth as those girls from Grant High. It's the less than 1 per cent that cast a shadow over their hard-working, high-thinking "brothers and sisters."

We needs must place our confidence in youth, and the actions of youngsters such as those at Grant make us realize that this trust is not misdirected.

Admired the Rose a Thorn

While it may not be in keeping with the spirit of Christmas, now is the time to start thinking about income tax.

True, it's an abrupt turnabout from the happy days of the Yule season, but the traditional cartoon of the harassed wage earner burning the midnight oil to make a mandatory tax deadline is more fact than fiction.

With Uncle Sam harder pressed for ready cash than ever before and primed to collect what is legally coming to him, there is no better time than now to take pencil in hand to do a bit of preliminary accounting.

Word is around that the government is cracking down on deductions. Thus, anything you expect to declare must be a matter of record before the end of the year.

For those fortunate enough to be concerned about paying those larger amounts of taxes, there's no better time than now to indulge in tax-exempt contributions and gifts. For those hard-pressed in the matter of even the most modest of tax payments, there's no better time than now to gather all the necessary documents to substantiate deductions.

The period to be accounted for ends Jan. 1, just 16 days hence. Good luck on April 15.

An Appreciated Gesture

Invariably it's the small gesture, unexpected but appreciated, that brings the warmest glow.

And so it was this week with Fox Lake residents when village elders capped those parking meter monstrosities with gay coverings bidding one and all a "Merry Christmas."

In sending Yule shoppers on their merry gift-seeking ways unworried about overtime and those pennies one never seems to have when needed, Fox Lake officials are scoring a big chunk of goodwill.

It might be just a mite late for Antioch officials to instigate such a move in the immediate days ahead, but as members of an exclusive clan who detest the penny gulpers and the parking tax... and who are willing to drive and walk blocks to avoid feeding them, may we suggest a similar "park-free" period in the days ahead.

With such celebrated events as "sweetest day" and "be kind to your mother-in-law week," why not a "forget your pennies, it's park-free week?"

Daughter Born to Former Residents

Mr. and Mrs. Harold Wilson, of Tacoma, Wash., are the parents of a girl, Debra Jean, born Dec. 7. The maternal grandparents are Mr. and Mrs. Laurence D. Hansen of Oakwood Knolls, and Mr. and Mrs. Harold Wilson of Felter's Subd. are the paternal grandparents. Both Mr. and Mrs. Wilson (nee Laura Hansen) are graduates of Antioch Township High School and moved to Tacoma a year ago.

The Antioch News Page of Opinion Courthouse Notebook —

BY LOU BURKIN

The twin banners of home rule and township government were unfurled in all their oratorical splendor during Monday's meeting of the county board and were waved with fine discrimination by both sides of the several discussions which enlivened an otherwise dull session.

Introduction of a resolution authorizing the Paul Pettigill Co. of Waukegan to conduct an audit of several accounts including the county general fund for the fiscal year 1960 was the first signal for an oratorical defense of "home rule."

Grant Township Supervisor Frank Valenta touched off the flights of oratory as he opposed the audit on the grounds that he didn't see why outsiders should be called in to do what the county auditor has been doing for years. What sounded suspiciously like a wager was tossed into the arena by Fremont's John Wirtz as he challenged the need for the audit and the \$10,000 a year charge for the service which will take four years to complete with a different group of accounts being studied each year.

Avon's Melvin (Moon) Mullins sided with advocates of the audit, but later sounded a warning that home rule and the township form of government was in grave danger in Lake County and urged his fellow members of the board to be on guard against any attempt to change the government in Lake County.

Eventually the resolution was adopted after Supervisor Emmett Moroney of Deerfield reminded the board members that the issue had been decided long ago and the resolution was actually drawn up under an earlier action by the supervisors.

A few verbal licks on behalf of home rule and representative government were gotten in by Wauconda's Robert Dickson during a brief attack on the still-to-be-appointed supervisor of finance and again when Moroney requested an extension of time for the board of review.

Dickson warned that the finance director would usurp supervisor duties and urged the supervisors to prevail on their township assessors to speed the return of the assessor books so the county supervisor of assessments and the board of review would not have to take action against them.

He was especially critical of Moroney when he learned that Deerfield's books hadn't been returned.

Moroney, who had earlier suggested that a little action by the supervisors might hasten the return of the books, warned that home rule or township government was endangered when the township officials failed to do their jobs.

In response to Dickson, however, Moroney suggested that it was none of the board's business whether or not he exerted pressure on his assessor.

Moroney revealed that in addition to Deerfield the books of assessors in Fremont, Lake Villa, and Avon Townships have not been returned to the supervisor of assessments.

County Board Chairman Karl Berning was slated to appear before a meeting of the Randolph Commission in Springfield, Tuesday, and was instructed by the board to take a firm stand against indiscriminate and involuntary annexation of adjoining territory by muscle-flexing municipalities.

The board no doubt feels that at the rate some communities are expanding and new cities are springing up pretty soon there will be no unincorporated areas and hence no need for a county highway department or a big sheriff's force.

This of course would mean a drastic reduction in supervisor patronage.

A communication was received announcing that Robert J. Milton, chairman of the Lake County Republican Central Committee and former state employee, has been appointed Shields Township Assessor to succeed the late Sam Sorenson.

And that's the last election comment for a while at least.

Social Security Change Boosts Over-\$1200 Pay

Included in the 1960 Social Security amendments is a new retirement test which will mean more benefit checks to those who earn over \$1200 a year. The new retirement test is effective Jan. 1, 1961.

The requirement that a worker must earn no more than \$1,200 in order to receive all 12 of his monthly checks is unchanged. However, beginning Jan. 1, if he earns more than \$1,200 he will have his benefits reduced \$1.00 for every \$2.00 he earns between \$1,200 and \$1,500; and \$1.00 for every \$1.00 he earns over \$1,500. Excess earnings will be charged against total family benefits payable.

The rule that benefits can be paid for any month that a beneficiary earns no more than \$100 in wages and does not perform substantial services in self-employment is still in effect; also the rule permitting unlimited earnings after the worker becomes age 72.

Social Security checks received the first part of December will contain an insert explaining the new retirement test.

Workers who are over age 65, who have not already filed for their benefit checks, should inquire at their Social Security District Office to see if it would be to their advantage to apply for benefits now.

Yule Party Planned For Parish Children

By Mrs. Bernice Bernau

LINDENHURST—Christmas party for children of Prince of Peace parish will be held Sunday afternoon, starting at 2 p. m. The affair is being held by the Altar and Rosary Sodality and the Holy Name Society.

Admission will be a gift for the children of St. Vincent's Orphanage. Only one gift from each family is required, and children attending need not wrap gifts. Suggested articles include "T" shirts, shoes, socks, blankets, training pants, diapers, one-piece pajamas, and bath towels.

For party-goers Sunday there will be refreshments, entertainment, gifts and an appearance by Santa.

Mrs. Sheehan accompanied Joe on his last visit here six years ago.

Local Church Plans Christmas Cantata Sunday

By Mrs. Roy Swenson
CAMP LAKE, Wis.—The Community Baptist Church, Silver Lake, will present a Christmas Cantata Sunday evening, Dec. 18, under direction of Mrs. Gladys Schmalfeldt. Other church activities during the season include a Christmas Eve Sunday School program starting at 7:30.

On Dec. 29, starting at 7:30 p.m., Sunday School children will have their annual Christmas party. A Watch Night service will be held Dec. 31, beginning at 8:30 p.m.

The Kettle Moraine Woman's Club held its Christmas party in Trevor Community Hall, Monday evening, Dec. 6, with 38 in attendance. Miss Erminie Carey presided over the business session. Reports were given on the candy sale, most of

which has been sold, netting the club \$50. Mrs. Henry Wisocki, art chairman, reported writing to the schools of the community with rules for the Art contest, which the club will sponsor again this year.

It was voted to remember several families with Christmas baskets of food this year. A total of \$35 was given by the members instead of the exchange of gifts, this money to be sent to the Veterans at Woods Hospital for Christmas.

A legislative bulletin was read by the secretary, telling of some of the bills to come up before the next Congress. There was a moment of silent prayer in memory of Mrs. Bessie Mackenzie, a charter member, who passed away a year ago. Mrs. Harry Jurgensen made a donation to the club in her memory. A sale conducted by the Ways and Means committee during the evening brought in \$32.50.

The program included the reading of the Christmas Story from the Scriptures interspersed with the singing of carols by the members, and played by Mrs. Arthur Bruen on her chord organ.

Motorists Warned Against Deadly Carbon Monoxide

Carbon monoxide is a deadly enemy of the motorist, cautions the Chicago Motor Club.

This colorless, odorless, tasteless gas can become a sneaky killer in cold weather, as even small doses of the lethal gas may cause an accident by slowing down driver reaction. The motor club points out that one part of carbon monoxide in 700 parts of air can be fatal; one part of carbon monoxide in 1,700 parts of air can cause nausea.

Warning symptoms of carbon monoxide are nausea, drowsiness, headache, delayed braking reaction, faulty co-ordination, and poor vision. When these reactions are noted, car occupants immediately should inhale deep breaths of fresh air.

Carbon monoxide is produced by imperfectly burned motor fuel. An excess may be produced by faulty engine adjustment, but even the best adjusted engine may leak enough carbon monoxide to be fatal. Chief danger points are faulty gaskets, defective exhaust systems, and clogged exhaust pipes.

To avoid being overcome by carbon monoxide, the motor club's safety and traffic engineering department recommends the following precautions:

(1)—Never run a motor in a closed garage or other unventilated enclosure. Open all garage doors before starting the engine.

(2)—Always keep one car window at least partially open to assure some air circulation.

(3)—Shut off the motor if you are sitting in a parked car for more than a few minutes.

(4)—Check your car's engine for proper combustion.

(5)—Check all points of the exhaust system for leaks and stoppages.

(6)—Remember, your car's exhaust pipe may become clogged by backing into a snow bank.

MR. AND MRS. ARNOLD L. JAHASKE, JR.

Diane Ann Domek, Arnold Jahaske Wed in St. Peter's on November 26

Miss Diane Ann Domek and Mr. Arnold Lewis Jahaske, Jr., were united in marriage at 2 p.m. Nov. 26, by Father A. J. Henderson, pastor, at St. Peter's Catholic Church.

The bride is the daughter of Mr. and Mrs. Allie Domek of Loon Lake and Mr. and Mrs. A. L. Jahaske, Sr., of Northlake are parents of the groom.

In the double-ring service in which the bride was given in marriage by her father, she wore a floor length gown of satin ducharme, with a long chapel sweep. The bodice was fashioned with re-embroidered alencon lace with a stand-up collar and long, tapered lace sleeves. Her headpiece was a crown of lace, trimmed with seed pearls, holding a silk illusion veil. She carried a bouquet of twenty white roses.

Miss Barbara Domek was her sister's maid of honor. Her gown was of two tone, gold satin ducharme, of floor length, with a scoop neckline and she carried bronze mums.

Bridesmaids were Miss Sharon Jahaske and Miss Sandra Jahaske, sisters of the groom, Miss Madelyn Zmich and Miss Peggy Cardiff. They were attired in floor length, two tone crayon green satin ducharme gowns, also with scoop necklines and they also carried bronze mums.

Serving as best man was Brad

Kobiella, and ushers were Master Tom Domek, brother of the bride, Mr. Ralph Bell, Mr. Joe Cechini and Mr. Richard Jahaske, brother of the groom.

Young Scott Swales, who was to have been ring bearer, was a victim of the mumps a week before the ceremony.

Special music was furnished by Ronald Peters, who sang "Mother at Thine Altar Kneeling" and several other selections.

A reception for 300 guests was held at the York Center Firemen's Hall, Lombard.

The couple is now at home at 642 Pickus Court, Waukegan, after a week spent at Hot Springs, Arkansas.

The former Miss Domek is a 1938 graduate of Antioch High School and is now employed by the Outboard Marine Corp. in Waukegan.

Arnold was graduated in 1936 from Leyden Community High School in Franklin Park. He is employed by the Vapor Heating Corp. in Niles.

ATHS Sophs Tip Wauconda 48-34 After Loss to Ela

Antioch High's sophomores, showing promise in last week's twin defeats by Lake Forest and North Chicago, played in fits and starts in dropping a close one here to Ela-Vernon Friday, 39-37, but made amends the following night by running over Wauconda 48-34, for their first conference win of three starts.

After last week's dismal losses, Coach Roger Andrews predicted his junior Sequoits will cause trouble in the conference this year. . . . If they hustle.

The hustle was there Friday, but too late to catch Ela's opening quarter surge of 18 points to Antioch's 9. Just a little too late.

The Sequoits quickened their pace during the second and remaining periods, under the driving play of tiny Jim Brownlee, who, despite his height of 5 feet, sparked the locals with 8 field goals and 3 charities to top high-scoring honors with 19. He was followed by John Hallwas, who dropped 3 baskets for 6, and Lang and Dupre with 4 points each.

Ela's junior Bears were led by Mann with 7 buckets and 3 charities for 17, and Kreuser, with 4 baskets and 4 free tosses for 12.

Wauconda's Bulldogs were never really in it, Saturday as the visiting Sequoits roared to a 15-7 lead in the first quarter. They made it 25-13 at the half and zoomed to a 36-22 lead at the end of the third period, in crashing the conference win column with a 48-34 final count.

In winning, the Sequoits exhibited the class predicted for them by Coach Andrews who feels the squad will be a force to reckon with in the junior circuit if members can play up to their potential.

Antioch was again sparked by 5-foot Jim Brownlee for his second straight night of high-game scoring with 21 points on 9 baskets and 3 charities. John Hallwas and Bob Kubicki contributed 8 points each to keep Antioch out in front.

Wauconda was led by Don Miller with 14 points, trailed by his twin brother, Dennis, and Freund with 8 each.

Antioch's frosh-sophs meet Grant here on Friday. Game time is 8:30.

Grant Whacks Grayslake 70-48 In League Tilt

GRAYSLAKE—Grant's Bulldogs, outshooting and outchasing the luckless Grayslake Rams, chalked up their second straight conference win at Grayslake Friday by an impressive 70-48 score.

Led by Denny Haerle and Dick Howard with 9 and 7 points, Grant's cagers moved swiftly into a one-sided 20-7 first-quarter lead and were never headed, although the Rams tightened defensive play to hold them to 9 points in the second period.

Both teams stepped the pace during the second half with Grant holding the initiative. The score stood at 49-30 at the end of the third, with the Bulldogs banging away for 21 in the final period.

The Rams posted a sad 17 per cent accuracy in the first half, compared with 36 for Grant, and started hitting for a 52 per cent field goal average in the second half as against 45 per cent for the Bulldogs.

High point honors were taken by Haerle with 22, followed by 15 for Howard. Pickett headed the losers with 15.

Round Lake Takes Lake Forest 60-50 In League Play

LAKE FOREST — High scoring Buddy Williams went on a 28-point rampage to lead Round Lake's Panthers into a 60-50 victory over Lake Forest to give the visitors their first conference win in two outings.

The fast-breaking Panthers jumped into a tight 11-9 first quarter lead, lengthened the margin to 28-22 at half-time, and roared back with 16-point third and fourth quarters to ice the game.

Round Lake's impressive 49 per cent average from the floor was the difference and their fast-break gave plenty of opportunity for accurate layups. Lake Forest was far behind with but 21 in 65 basket attempts.

Tom O'Brien, with 10 points, was second high man for Round Lake, while Carl Roderwald paced Lake Forest with 17.

Warren Takes Second Win

GURNEE—Mike Galgan's Warren Blue Devils fought off a fighting Wauconda five to take their second straight conference win Friday, 62-49.

Held to a 27-27 halftime tie, the Blue Devils rallied to outthit the Bulldogs 35-22 in the second half. This was an about face from opening periods, when a cold Warren squad was able to hold but a scant 16-15 lead which vanished as they nailed but four baskets in some 20 tries in the second quarter.

The Devils sharpened up as the game moved along, holding the Bulldogs to but two field goals in the third quarter as they threw in a full-court press. Entering the final period, Galgan's boys started hitting with consistency that saw them end the game with a total of 27 baskets in 79 attempts while limiting the Bulldogs to 15 in 46 attempts.

Warren Takes Ela 76-57 to Tie for Lead

GURNEE—Warren's Blue Devils continued their winning ways to drop Ela-Vernon 76-57 Saturday night for their third straight conference win and Ela's second setback of the weekend. Ela fell victim to Antioch last night as the Sequoits attempted to recapture their winning ways of the 1959-60 season.

By taking Ela, the Blue Devils jumped into a first place tie with Grant, who was in the process of giving the Lake Forest squad its lumps.

A quick whistle kept both guards off balance, afraid to do much more than breathe at the opponent, a situation that has cropped up several times in the current season.

It might be a good idea to import some downstaters where a bit of good clean blocking is considered kosher.

But if the Warren lads were abashed by the confusion, it wasn't apparent as they banged away for four heavy-scoring periods.

The tone wasn't apparent in the first half when the teams stood 25-20 at the quarter and 40-36 at the half, with Warren in the saddle both times. But Warren took off in the third period and Ela could do little right on offense in the third quarter, fading to 7 points to 18 for Warren. The trend continued, Warren netting 18 to Ela's 14 in the final frame.

Larry Beshel, one of the more dangerous sharpies in last year's play, netted 26, while husky Stan Flood contributed 18.

Joe Shober and Dennis Skinner with 26 and 21 points led the losers.

Channel Lake Scouts To Hold Christmas Party

By Mrs. Pearl Kapell

CHANNEL LAKE—Cub Scouts of Pack 88 will have their Pack meeting at the school house at 8 p.m. tomorrow Dec. 16. This will be a combination pack meeting and Christmas party. Each boy is supposed to bring a gift, not to exceed 50c in value, for the grab bag. The theme of the meeting will be "Guiding Stars." Lee Franks is in charge of arrangements.

The regular meeting of the Boy Scouts of Troop 88 on Monday, Dec. 19, will be enlivened by a Christmas party sponsored by the Women's Auxiliary of Troop 88. Refreshments will be served, and there will be grab bag presents for the boys.

The dance held at the Moose Hall Saturday night, sponsored by the Channel Lake Community Club, really swung. Not too big a crowd in attendance, but those who were there really had a ball. Danceable music of every variety, from the Bunny hop through polkas and rock 'n roll to dreamy waltzes, was furnished by the Rhythm Kings.

Mike McKinney, though still hospitalized, is much better and making a good recovery from the stroke he suffered.

Jack Hucker arrived at the home of his parents Dec. 11, on leave from the Navy for the Christmas holidays. Others expected home from the services for Christmas: Dan Runyard, from the Navy; John Wel-din, from the Marines; Larry Zerr, from the Navy.

Karen Trussell, daughter of Mr. and Mrs. Emory Trussell, is in the hospital with complications following a bout with a virus.

Tess Baumann, Rene Dahlman, Jackie Zerr, Pat Harland and Ann Waters were co-hostesses at a baby shower in honor of Shirley Feme, held at the Baumann home on Dec. 11. About 30 guests were present, and enjoyed a buffet in a combination of "baby" and Christmas decorations.

Fifteen children were on the honor roll at the Channel Lake Grade school this last six week period. They are: first grade—Gary Rush and Helen Zobus; second—Diane Anderson, Patti Burnett, Mike Geiger, Jill Jasmer; third—Danny Kutz; fourth—Randy Roberts; fifth—Wendy Eberman, Marty Peters; sixth—James White; seventh—Terry Yanca, Pat Sirshon, Sharon Dowell and Karen Roberts.

Couple Celebrate 25th Anniversary

By Mrs. Bernice Bernau
LINDENHURST—Mr. and Mrs. Charles (Ida) Christensen, Hazelwood Drive, celebrated their 25th wedding anniversary Dec. 9. They celebrated the occasion with dinner at the Sail Inn. They have two daughters, Linnea, 13, and Debbie, 9. Members of the "Q-T" Club and their husbands held a pre-Christmas party last Saturday at the James Hartwig home on Sand Lake Road. Attending were the Doug Sanders, Ray Caldwells, Fred LaChances, Warren Frontzaks, John Sloves, Ted Flanagan, John Gibbons and John Hays.

The evening was enlivened with dancing, games, refreshments and a gift exchange. Ladies drew names for a secret pal.

In memory of Bill Tremari and Marilyn Delatree:
Dear Holy Mother up above:
Please protect the boy I love.
Keep him always safe and sound,
No matter where or when he's found.
Help him to know, and help him to see
That I love him, and make him love me.
Then, dear Mother, help me to be
The kind of girl he wants me to be.
Keep us now and keep us forever.

How to Recover From Skid in Winter Driving

Skidding is a common occurrence when driving on snow and ice. To help ease the dangers the Chicago Motor Club issued the following tips on how to recover from a skid:

- 1—Keep yourself under control. A person who cannot control himself in an emergency will have more trouble than others.
2. Avoid braking. Slamming on the brakes in a skid locks the wheels, causes loss of traction, and increases the skid.
- 3—Steer in the direction the rear end is skidding. As the car begins to straighten, you should straighten the front wheels as well.
- 4—Avoid oversteering. Turning the steering wheel too far whips the rear end into a skid in the opposite direction.
- 5—Keep the selector lever at D, or the clutch engaged. Holding the car in gear helps reduce speed and produces maximum control.
- 6—Avoid lifting your foot from the accelerator suddenly. Some expert drivers even accelerate moderately to get out of a skid.

The motor club cautioned that ordinary stopping distances often are doubled and tripled on slippery winter streets. The club urged motorists to hold down speed when driving on ice or snow.

Return from Eastern Tour

By Mrs. Roy Swenson
CAMP LAKE, Wis.—Mrs. Anna Howard entertained at dinner Saturday evening, and had as guests Mr. and Mrs. Andy Sabin, Chicago, and Mr. and Mrs. Milton Tesar, Dan and Michael.

Mrs. Fred Wendt accompanied Miss Iva Gallier of Chicago on a 12-day motor trip east. They stopped in Adah, Pa., for Thanksgiving dinner with Mrs. Wendt's uncle and aunt, Mr. and Mrs. Presley Paris. They then traveled through New England states visiting some of Miss Gallier's relatives. They returned Sunday after having traveled some three thousand miles.

Mmes. Alfred Eggert, A. J. Bruen, David Thompson and Mike Griebel were hostesses to 40 members and guests of the Sunshine Club when it met at the home of Mrs. Mike Griebel, Tuesday afternoon, Nov. 29. During the business meeting, presided over by president Mrs. Martin Schenning, reports of Sunshine chairmen were given, and "thank you" notes were read by the secretary, Mrs. Bert Schenning. It was voted to remember the aged and shut-ins, with fruit baskets for Christmas, an annual project of the club for many years.

Refreshments were served by the hostesses after which games were played, and two Thanksgiving readings given. The annual Christmas party will be held at the home of Mrs. Martin Schenning Dec. 27, with Mmes. William Richter, Oscar Robel and Bert Schenning assistant hostesses. Gifts will be exchanged.

On Dec. 1 the Woman's Missionary Union and Adult Bible class of Community Baptist church held its Christmas party in the church parlors with 27 in attendance. To begin the afternoon's activities, a turkey dinner was served at 12:30 p.m. with Mmes. Oscar Yanke and John

Mrs. George Windheim Dies in California

By Mrs. Roy Swenson
Camp Lake, Wis.—Word has been received here of the death of Mrs. George Windheim, Nov. 30, in California, following an illness of four years. Mrs. Windheim was the former Miss Nettie Yaw, a daughter of a pioneer Camp Lake family. She was born in Camp Lake, a daughter of the late Mr. and Mrs. Henry Yaw. She was educated in Camp Lake School and taught here for one year. Following her marriage, she lived in Chicago and later moved to California.

She is survived by one son, Paul, a grandson, Richard, a nephew, Frank Franz, and a grand-niece, Miss Helen Kavanaugh Camp Lake.

Mrs. Clarence Spiering was hostess to members of the Antioch Garden Club at their annual Christmas party earlier this week.

VanderZee in charge of arrangements. Table decorations were in the Christmas motif, and planned by Mrs. Roy Hartigan and Mrs. Charles Kracmer. Mrs. Roy Crichton announced the program which was as follows:

Reading by Mrs. Willard Owen; vocal solo, "Bethlehem," Mrs. Arthur Fanknin; story of the Nativity, Mrs. Leland Hegeman; vocal duet, "There's a Song in the Air," Mmes. Charlotte McMahan and Roy Swenson; reading, "No Room," Mrs. Erik Hansen, with carols sung by all. Three new members were added to the roll: Mmes. Albert Hoffman, Clara Berg and Ray Wells. Collection was \$26. All enjoyed a gift exchange at the close of the meeting. The Jan. 5 meeting will be held at the church with Mmes. John Swenson and Roy Swenson as hostesses. Mrs. Oscar Yanke to lead the devotions, and Mrs. McMahan the Bible study of Acts. 19 and 20.

Channel Lake Scouts To Hold Christmas Party

By Mrs. Pearl Kapell

CHANNEL LAKE—Cub Scouts of Pack 88 will have their Pack meeting at the school house at 8 p.m. tomorrow Dec. 16. This will be a combination pack meeting and Christmas party. Each boy is supposed to bring a gift, not to exceed 50c in value, for the grab bag. The theme of the meeting will be "Guiding Stars." Lee Franks is in charge of arrangements.

The regular meeting of the Boy Scouts of Troop 88 on Monday, Dec. 19, will be enlivened by a Christmas party sponsored by the Women's Auxiliary of Troop 88. Refreshments will be served, and there will be grab bag presents for the boys.

The dance held at the Moose Hall Saturday night, sponsored by the Channel Lake Community Club, really swung. Not too big a crowd in attendance, but those who were there really had a ball. Danceable music of every variety, from the Bunny hop through polkas and rock 'n roll to dreamy waltzes, was furnished by the Rhythm Kings.

Mike McKinney, though still hospitalized, is much better and making a good recovery from the stroke he suffered.

Jack Hucker arrived at the home of his parents Dec. 11, on leave from the Navy for the Christmas holidays. Others expected home from the services for Christmas: Dan Runyard, from the Navy; John Weldon, from the Marines; Larry Zerr, from the Navy.

Karen Trussell, daughter of Mr. and Mrs. Emory Trussell, is in the hospital with complications following a bout with a virus.

Tess Baumann, Rene Dahlman, Jackie Zerr, Pat Harland and Ann Waters were co-hostesses at a baby shower in honor of Shirley Fener, held at the Baumann home on Dec. 11. About 30 guests were present, and enjoyed a buffet in a combination of "baby" and Christmas decorations.

Fifteen children were on the honor roll at the Channel Lake Grade school this last six week period. They are: first grade—Gary Rush and Helen Zobus; second—Diane Anderson, Patti Burnett, Mike Geiger, Jill Jasmer; third—Danny Kutz; fourth—Randy Roberts; fifth—Wendy Eberman, Marty Peters; sixth—James White; seventh—Terry Yanca, Pat Sirshon, Sharon Dowell and Karen Roberts.

Couple Celebrate 25th Anniversary

By Mrs. Bernice Bernau

LINDENHURST—Mr. and Mrs. Charles (Ida) Christensen, Hazelwood Drive, celebrated their 25th wedding anniversary Dec. 9. They celebrated the occasion with dinner at the Sail Inn. They have two daughters, Linnea, 13, and Debbie, 9.

Members of the "Q-T" Club and their husbands held a pre-Christmas party last Saturday at the James Hartwig home on Sand Lake Road. Attending were the Doug Sanders, Ray Caldwell, Fred LaChances, Warren Frontzaks, John Sloves, Ted Flanagan, John Gibbons and John Hays.

The evening was enlivened with dancing, games, refreshments and a gift exchange. Ladies drew names for a secret pal.

The Lindenhurst Men's Club and Ladies' Auxiliary will hold a Christmas party for children of members Monday, Dec. 19, at the Men's Club, Grand Ave., from 7-9 p.m. Movies, refreshments and Santa Claus are planned. Tony Drago is in charge of arrangements.

The VFW has scheduled a fish fry every Friday night from 6-10 p.m., served in the VFW hall in Lake Villa.

Mr. and Mrs. Edward Bernau attended the annual Christmas show of the Electrical Workers Union Saturday, featuring famed entertainers Jaye P. Morgan, Ray Bolger, Ford & Hines, Guy Lombardo and his orchestra, and other acts produced by Frank Darling.

The Lake Villa Post, VFW, is selling Christmas trees at Bud's Cities Service Station, Cedar and Grand avenues.

The VFW has scheduled a New Year's Eve party at the Post home in Lake Villa. Tickets are available from Charles Reinhart and Bob McLelland.

ANNOUNCEMENTS

In memory of Bill Tremari and Marilyn Delattre:
Dear Holy Mother up above:
Please protect the boy I love.
Keep him always safe and sound.
No matter where or when he's found.
Help him to know, and help him to see
That I love him, and make him love me.
Then, dear Mother, help me to be
The kind of girl he wants me to be.
Keep us now and keep us forever.

How to Recover From Skid in Winter Driving

Skidding is a common occurrence
when driving on snow and ice. To
help ease the dangers the Chicago
Motor Club issued the following tips
on how to recover from a skid:
1—Keep yourself under control.
A person who cannot control him-
self in an emergency will have more
trouble than others.
2—Avoid braking. Slamming on
the brakes in a skid locks the
wheels, causes loss of traction, and
increases the skid.
3—Steer in the direction the
rear end is skidding. As the car
begins to straighten, you should
straighten the front wheels as well.
4—Avoid oversteering. Turn-
ing the steering wheel too far whips
the rear end into a skid in the op-
posite direction.
5—Keep the selector lever at D,
or the clutch engaged. Holding the
car in gear helps reduce speed and
produces maximum control.
6—Avoid lifting your foot from
the accelerator suddenly. Some ex-
pert drivers even accelerate moder-
ately to get out of a skid.
The motor club cautioned that
ordinary stopping distances often
are doubled and tripled on slip-
pery winter streets. The club urged
motorists to hold down speed when
driving on ice or snow.

Mrs. George Windheim Dies in California

By Mrs. Roy Swenson

Camp Lake, Wis.—Word has been
received here of the death of Mrs.
George Windheim, Nov. 30, in Cali-
fornia, following an illness of four
years. Mrs. Windheim was the for-
mer Miss Nettie Yaw, a daughter
of a pioneer Camp Lake family.

She was born in Camp Lake, a
daughter of the late Mr. and Mrs.
Henry Yaw. She was educated in
Camp Lake School and taught here
for one year. Following her mar-
riage, she lived in Chicago and later
moved to California.

She is survived by one son, Paul,
a grandson, Richard, a nephew,
Frank Franz, and a grand-niece,
Miss Helen Kavanaugh Camp Lake.

Mrs. Clarence Spiering was host-
ess to members of the Antioch Gar-
den Club at their annual Christmas
party earlier this week.

VanderZee in charge of arrange-
ments. Table decorations were in
the Christmas motif, and planned by
Mrs. Roy Hartigan and Mrs. Charles

Antioch Edges Ela 48-47, Bows to Bulldogs

Take Bears 48-47 in First Conference Win; Wauconda Squeeks By Sequoits 54-52

Two charities by Joe Pleviak in the final seconds of Antioch's thriller with Ela-Vernon here last Friday proved the margin that pushed the Sequoits into their first conference victory of the season, 48-47.

In a game that kept the spectators on seat edges, Antioch rallied with a full head of steam after getting off to a slow start. The Bears jumped off to an early lead by hitting 10 of 20 shots to jump into a 15-9 first quarter and 25-20 half-time lead.

The Sequoits entered the second half with a full-court press that saw them dump in seven straight points to move into front 27-25. The balanced scoring and all-around floor play of Antioch paid off in the two final frames in withstanding a game-ending surge by Ela-Vernon's Bears.

Antioch enjoyed a 35-31 count entering the fourth quarter and boosted this to 42-36 going into the closing minutes of the final period. The Bears came to life, however, and dumped in 7 straight points to creep out in front 43-42.

From here on in it was anyone's game with the lead changing hands four times in the final three minutes. Two free throws by Les Herbst put Antioch out in front, only to have Ela move ahead by one point on a jump shot by Elliott. Herbst again sunk two charities to give the Sequoits the lead, only to have the Bears again take over on a pair of foul tosses by Joe Ingles.

Two free throws by Joe Pleviak put Antioch ahead 48-47 as the game ended.

Both teams did well from the floor, Ela-Vernon sinking 19 of 41 basket attempts for a 46.4 percentage, and Antioch also dumping 19 baskets in 47 attempts for a 40.4 effort. The Sequoits racked up a 66.7 per cent average from the free-throw line with 10 of 15, while Ela failed to sink 15 charities of 24 attempts for a lowly 37.5 percentage.

The aggressive floor play of Herbst, high game man with 22, and Elliott with 12 was a bright spot in Antioch play. Krieger did a top job of rebounding, while Pleviak playing first-string for the first time, played a strong game for the Sequoits.

In the rebound department, both teams squared off fairly even, with Ela's Bears grabbing 9 on offense and 18 on defense, as against 7 for Antioch on offense and 19 on defense for a total of 26.

In a game marred by the fast whistle of over-zealous officials, Wauconda's Bulldogs settled down and battled to a close 54-52 win over Antioch High's Sequoits at Wauconda Saturday.

Both teams had trouble adjusting to close calling, with Wauconda losing Coomes on 5 personals, and Cook, Hughes and Wasilas walking the tightrope with 4.

Antioch wasn't so fortunate, losing 3 men via personals, with Elliott going out on fouls in the first quarter. Pogose stayed around until the third quarter and Krieger chopped his way out in the fourth.

In taking Antioch's measure, luckless Wauconda came through in its first conference cage win in 31 starts, equaling its feat on the gridiron when it nailed Antioch to the post to win its first conference contest since 1956. But in the words of Sequoit Coach Larry Leon, "Wauconda will win more this year. They're pretty tough."

The Bulldogs' Cook showed his heels to the Sequoits, sinking 10 field goals and 5 charities for a total of 25 points to carry the Wauconda club. Lelito with 15 was second high.

Herbst, with 15, was again the pace-setter for Antioch, and was followed closely by Pogose with 11, and Krieger with 9.

The Antioch club, exhibiting more hustle and desire than in its twin losses of the previous week, is showing improvement that should find the squad giving all conference members a stout tussle.

Antioch jumped off to a fair-

paced scoring spree by hitting for 17 points to 13 for Wauconda in the first quarter, and led 32-27 at the half. Loss of Elliott and Pogose began to tell, and Wauconda out-scored Antioch 15-12 in the third quarter to close the gap, with the Sequoits ahead 44-42, at the end of the third. Wauconda kept the heat on and scored 12 points to Antioch's 8 in the closing frame to wrap up the game, 54-52.

From the floor, the Bulldogs sank 20 baskets of 62 attempts for a weak 32.3 percentage. Antioch fared even worse, sinking but 17 of 54 for 31.5 per cent. Wauconda took its lumps from the foul line, dumping in but 14 of 33 for a poor 42.4 percentage, while Antioch sank 18 charities of 31 attempts for 58.1.

The Bulldogs had a bit the better of it on rebounding, grabbing off 13 on offense and 18 on defensive to Antioch's 10 on offense and 18 on defense.

Coach Leon plans plenty of shooting practice over the days ahead, knowing his boys will have to hit more than their current 31 per cent pace if they hope to move up in conference standings. Sequoit opponents are sinking 36 per cent of their shots against the locals.

In their fourth conference outing of the current season Antioch's Sequoits will host Grant on Friday, Dec. 16. Game time is 8:30 p.m.

YOUNG BOBBY Lenczewski, 13, who has been burning up the local allies with some whopping scores, fired a 601 recently with games of 198, 212 and 191. Bobby bowls in the Coca Cola Junior League. Another youthful bowler in the league, Bill Osgo, recently turned in a sparkling performance with triplicate scores of 164.

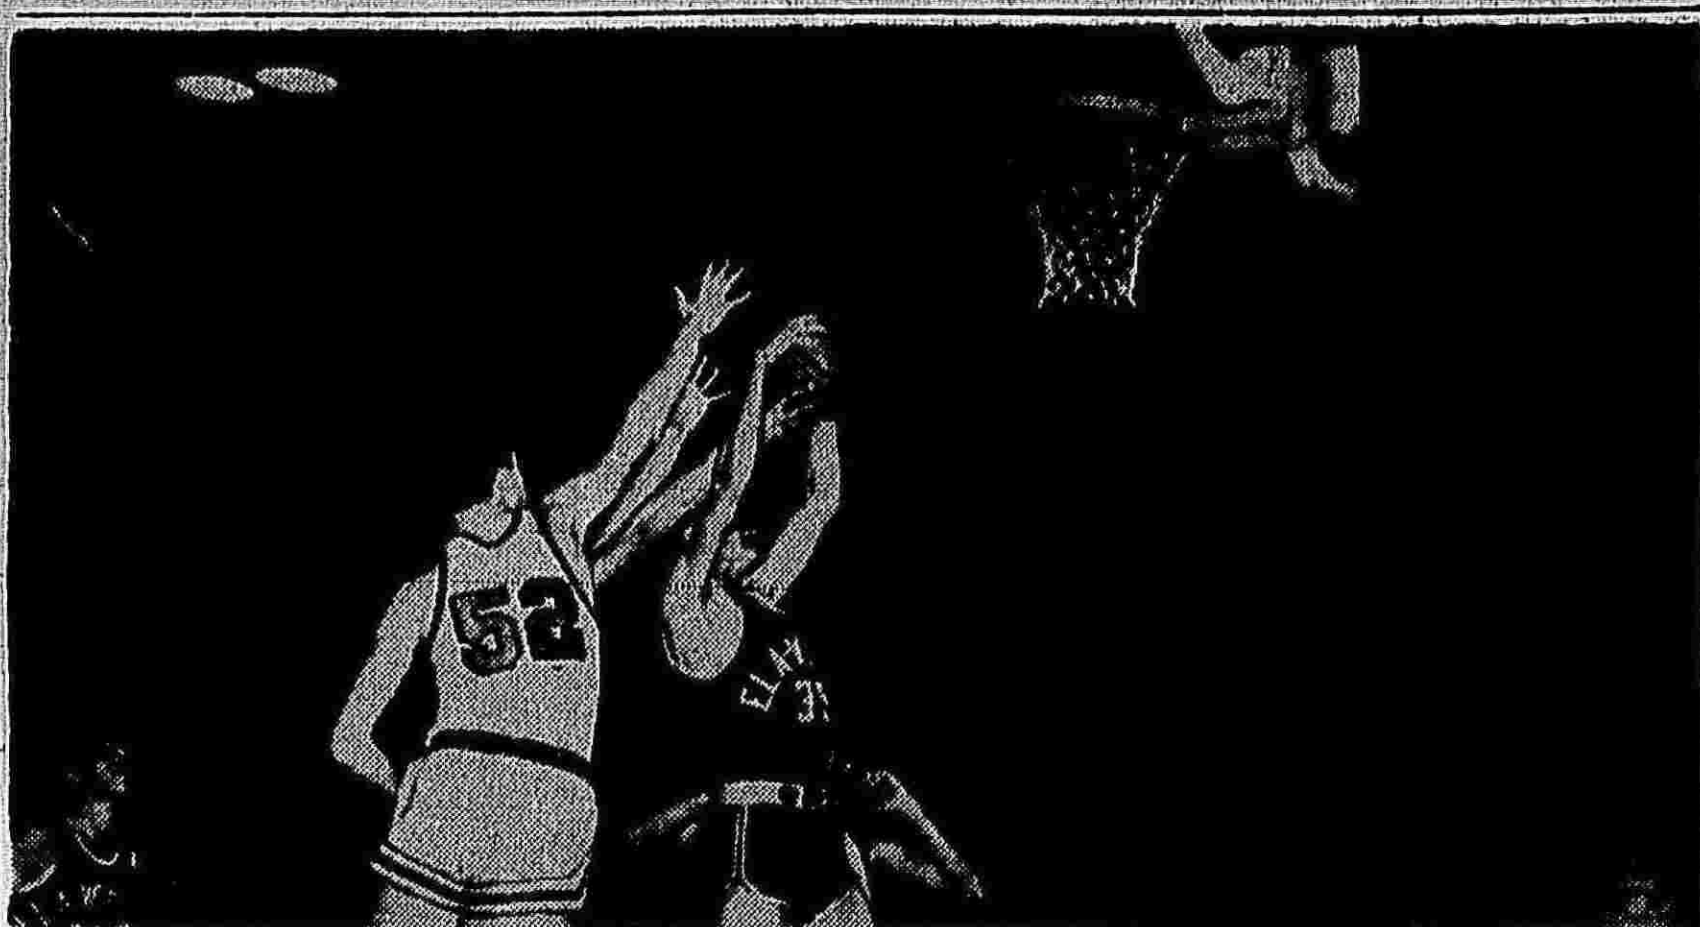

Munters Averaged 3.2 Hours to Get the Bird

Pheasant hunters spent more time bagging a cock bird in Illinois this fall than in either 1958 or 1959, according to Robert I. Smith, leader of a pheasant investigation project sponsored by the Illinois Natural History Survey and State Department of Conservation.

Hunters tramped the fields an average of 3.2 hours to shoot a cock during the 20-day season which ended Nov. 30, compared to 2.9 hours, in 1959, and 2.5 in 1958.

After the first few days most hunters had trouble getting the daily limit of three cocks because many pheasants congregated in unharvested corn and were relatively inaccessible.

More cocks were crippled but not recovered in 1960 than in the last few seasons. Hunters crippled and lost 34 cocks for each 100 bagged this year compared to losses of 23 and 18 per 100 in 1958 and 1959. The abundance of standing corn in 1960 probably contributed to the higher loss due to crippling. Cocks knocked down in standing corn were difficult to retrieve.

ANTIOCH'S BOB KRIEGER goes high in unsuccessful try to snatch rebound away pair of Ela-Vernon player in last Friday's cage game here. The Sequoits went on to take their first conference victory by edging the Bears in a close thriller, 48-47.

News of Lakesports

Antioch Grapplers Ready For First Practice Meet

With a month of intensive workouts under their collective belt, aspirants for Antioch High's first wrestling squad have about two weeks to go before being ready to take on other schools, according to Coach Bob Walther.

The Sequoit mat coach hopes to book several practice sessions sometime before Christmas with either Grayslake or Warren the probable opponent.

Wrestling officially got underway here on Nov. 18 when 29 eager aspirants answered Coach Walther's call for mat candidates in all weight classifications. This is the first time the sport has taken hold at Antioch High, and formal entry into Northwest Suburban Conference wrestling will be delayed until 1961-1962, when Sequoit grapplers will shoot for record.

Remainder of this season will consist of daily workouts from 4:30-6 p.m. (Fridays 3:30-5:30 p.m.) and practice matches with other schools.

In shaping up this year's squad, Coach Walther singled out eight grunt-and-growlers who show promise. Bill Slater checks in as the meatiest and is going well in the heavyweight classification. Joe Gates, 160 pounds; Joe Enis, 135; Phil Fabry, 120; and John Burke, 145, look good. In the freshman class, Ray Miller, 105, and Dave Miller, 112, were cited for good work by Coach Walther.

Although a few of the 29 were admonished to hit the books by parents who feel the rigorous schedule cuts into the bookwork, 27 men remain active on the squad.

Other members who have shaped up in practice sessions are: Cliff White, 155; Frank Nauseda, 148; Jerry Mathews, 165 (and a stand-out); Dave Bonner, 130; Martin Guenfray, 145; Joe Wolf, 135; Pete Lishamer, heavyweight; Ken Anderson, 185; Dave White, 145; Ron Van Rooyan, 135 (looks good); Lon Ipsen, heavyweight; Dave Schwelgart, 125; Doug Feller, 135; Joe Anzinger, 185; Dennis Murphy, 115; Jeff Ryan, 125; Mike DeLatre, 120; and Wayne Ream, 155.

Weight divisions under which men meet are: lightweight, 95, 103, 113, 120, 127, 133, 138, 145, 154, 165, 170 and heavyweight.

Sequoit Sophs Bow to FL and N. Chicago

Antioch High School's sophomore cagers dropped two close games, Dec. 3 and 4, and in so doing held out bright promise for future league play that should see them as powers to reckon with before the season ends.

The young Sequoits, playing mid-season ball defensively but off on offense, bowed to Lake Forest 50-44 on Friday, Dec. 3, and went down again Saturday, Dec. 4, in a thriller with North Chicago 32-27.

The all-around floor play of Lang and Kubicki, big guns in the recent win over Mooseheart, kept Antioch but a pace behind Lake Forest. Kubicki paced Antioch with 15 points, to tie for game honors with Johnson of Lake Forest, followed by Brownlee with 7 and Lang 7.

TV Station to Debut Ski Program Dec. 28

Antioch area skiing enthusiasts will need go no farther than the living-room TV to enjoy the sport through means of a new program slated to start this month.

Channel 11, WTTW, will debut the program, "It's Ski Time," starting Wednesday, Dec. 28, at 8 p.m. and continuing for six weeks.

Alex Katz, Chicago Sun-Times ski reporter, will host the series which will cover all phases of skiing and feature films of outstanding ski resorts throughout the world.

Brandt Crocker, president of the Chicago Metropolitan Ski Council, will be guest authority.

Channel Lake Cagers Win Over Gavin 20-11

By Mrs. Pearl Kapell
CHANNEL LAKE — The "A" squad of the Channel Lake School basketball team won their game against Gavin, 20-11, Dec. 7. High scorers for Channel Lake were Ronny Holstrom, Jesse Inman and Billy Portalski, who between them scored 15 of the 20 points.

There are 10 boys on the "A" squad this year and 13 on the "B" squad. The teams played Oakland school Tuesday night, and will play Johnsbury on Friday, Dec. 16.

Cheerleaders are Norma Heimbrodt, captain; Sharon Zerr, co-captain; Mary Dahlman, Caroline Lasco, Marge Bartley, Karen Roberts and Patty Sirshon.

The Junior Sequoits held a hot North Chicago squad to but two baskets in the second half, but found the gap too much to close, in dropping a 32-27 decision there last Saturday.

Praised by Coach Roger Andrews as being a fine defensive squad, the Sequoits need polishing up offensively if they are to be contenders. Kubicki, Hallwas and Lang led scoring for Antioch, while North Chicago's Sute, Shatz and Jenkins tallied 11, 9 and 8 points, respectively.

Find Job Prospects

Good for Graduates

This year's college seniors will

find a general "tightening up" in

recruiting effort by U. S. business

and industry, a Northwestern Uni-

versity survey showed today.

The graduating engineer, how-

ever, will continue to be in great

demand and in this age of science

technology according to the 15th

Annual College Employment Sur-

vey, conducted by Frank S. Endicott,

Northwestern's director of (job)

placement.

The survey, widely known as an

important index of national hiring

and business trends, reported on

data from 210 firms across the na-

tion.

It showed that the companies plan

to hire 6 per cent more engineers

than they did in 1960 but that they

will employ 3.2 per cent fewer men

with other types of training, mostly

non-technical.

The reporting companies said they

planned to pay an average of \$520

a month to the starting engineer of

1961, an average of \$458 for account-

ing graduates, \$451 for men in sales

and \$439 for general business train-

ees.

This amounts to a 2.5 per cent in-

crease over 1960 starting salaries,

the survey showed.

The reporting companies said 1960

graduates can generally expect

about a 10 per cent increase in pay

at the end of their first year on the

job with most firms reviewing a

new employee's salary at the end of

his first six months.

Junior Police to Receive Stars; Car Contest, Drill Squad Planned

By Mrs. Bernice Bernau

LINDENHURST—At the Dec. 8 meeting of the Lindenhurst Junior Police Club, boys were informed that their police stars have been ordered and may arrive to be given out at the next meeting, Dec. 20. The boys were reminded again to sign their membership identification cards and to return their application forms at the next meeting, so that the board of directors will know what the boys like to do, and can plan accordingly.

Ron Coles announced that squad leaders are in the midst of making up rules and regulations for the members of the club. The boys will receive penalties and a demerit system will work against the squad. Any boy bringing the demerits against his squad will be penalizing his whole team.

Coles also announced he plans to form a precision drill team for the boys who drill and march smartly.

Don Fitzgerald of Western Tire Auto Shop in Grayslake, is having a model car contest for members of the club, who purchase their kits from him. Cars and entry blanks may be purchased from him at the

next meeting at 6:30 p.m. Trophies will be awarded to the boys in different age groups. The boys will have two months to complete the cars. More than one car may be entered. A display will be set up somewhere in the plaza.

Arrangements have been made by Lt. Mike Fidanio for the boys to visit the Great Lakes Naval Training center Saturday, Jan. 14. Members will go by chartered bus, and will leave the Men's Club by 8:30 a.m. They will be escorted and seated in time to witness the colorful Recruit Graduation Review commencing at 10 a.m. Following this they will tour the service school and be back home by 3 p.m. Boys with demerits against them will not be allowed to go. The boys are asked to bring about \$1.00 to buy their lunch.

A Christmas party has been planned for the next meeting and parents calling for their sons, are asked to pick them up at 8:30 p.m. Fathers are invited to attend with their sons. Movies entitled, "Shooting Safely" and "All About Fishing" will be shown. Mothers are asked to call Ron Coles as soon as possible if they will donate cup cakes or cookies for the party. Soda pop and ice cream will be furnished by the club. Boys wanting to participate in the grab bag gift exchange are asked to bring a 25c item.

A welcome is extended to Mr. and Mrs. Alvin (Hilda) Huntington of Thornwood Dr. They moved into their eight room bi-level home Nov. 5, from Waukegan.

They have been married 17½ years and have an adopted son, Gregory, who was 7 on Tuesday. Gregory will have a party for his friends. Mrs. Huntington will send refreshments to school for his classmates in Mrs. Neubauer's first grade at B. J. Hooper School.

Mrs. Huntington is a foster mother and presently has five foster-children in her home, a 2-month-old baby, 4, 5 and 6-year old children and a 13-year-old girl attending Lake Villa School.

Alvin is a carpenter for R. G. Borregard Co. in Waukegan and is working on the new addition to the Hooper school.

Mr. and Mrs. Clifford (Alma) Kieneberger are newcomers to Lindenhurst. They are renting the John Heck home on Fairfield. They lived in Winthrop Harbor before moving here Sept. 1.

They have five children, Barry 8, and Dennis, 6, attend Hooper School and Pamela, 5, is in kindergarten at the Lake Villa School. At home are Trudy 3, and Cheryl, 22 months.

Alma has just recently returned home after being a patient at Victory Memorial Hospital. Clifford works for Chevrolet-Saginaw Gray Iron Foundry in Waukegan.

All interested in joining a "Grandmothers" club are asked to call Mrs. Jenny Volpentesta on Sand Lake Road at Elliot 6-7685.

Mrs. Russell (Alberta) Bethley of Elmwood Dr., was hostess for the Tuesday night Po-Keeno club at Mrs. John (Betty) Quinn's home on White Oak Drive. They also were the winners for the evening. Not so lucky, were Mrs. Pearl LaBarbera, Mrs. Evelyn Lazansky and Mrs. Jane Lindberg.

The P.T.A. of the Lake Villa

school will sponsor a skating party at Rollin' Wheels Rink in Twin Lakes, Wis., Saturday, Dec. 17. The bus leaves the school at 12:30 p.m. and will return about 4:30. There is a charge for the bus; skates may be rented. Chaperones are needed and welcome.

No one has responded to the plea for a girl scout leader in Lindenhurst. Any one knowing a possible co-leader should contact Mrs. Walter McCleod on Grand Avenue, El. 6-7839.

THEY WORK HARDER BECAUSE THEY RIDE EASIER!

CHEVROLET

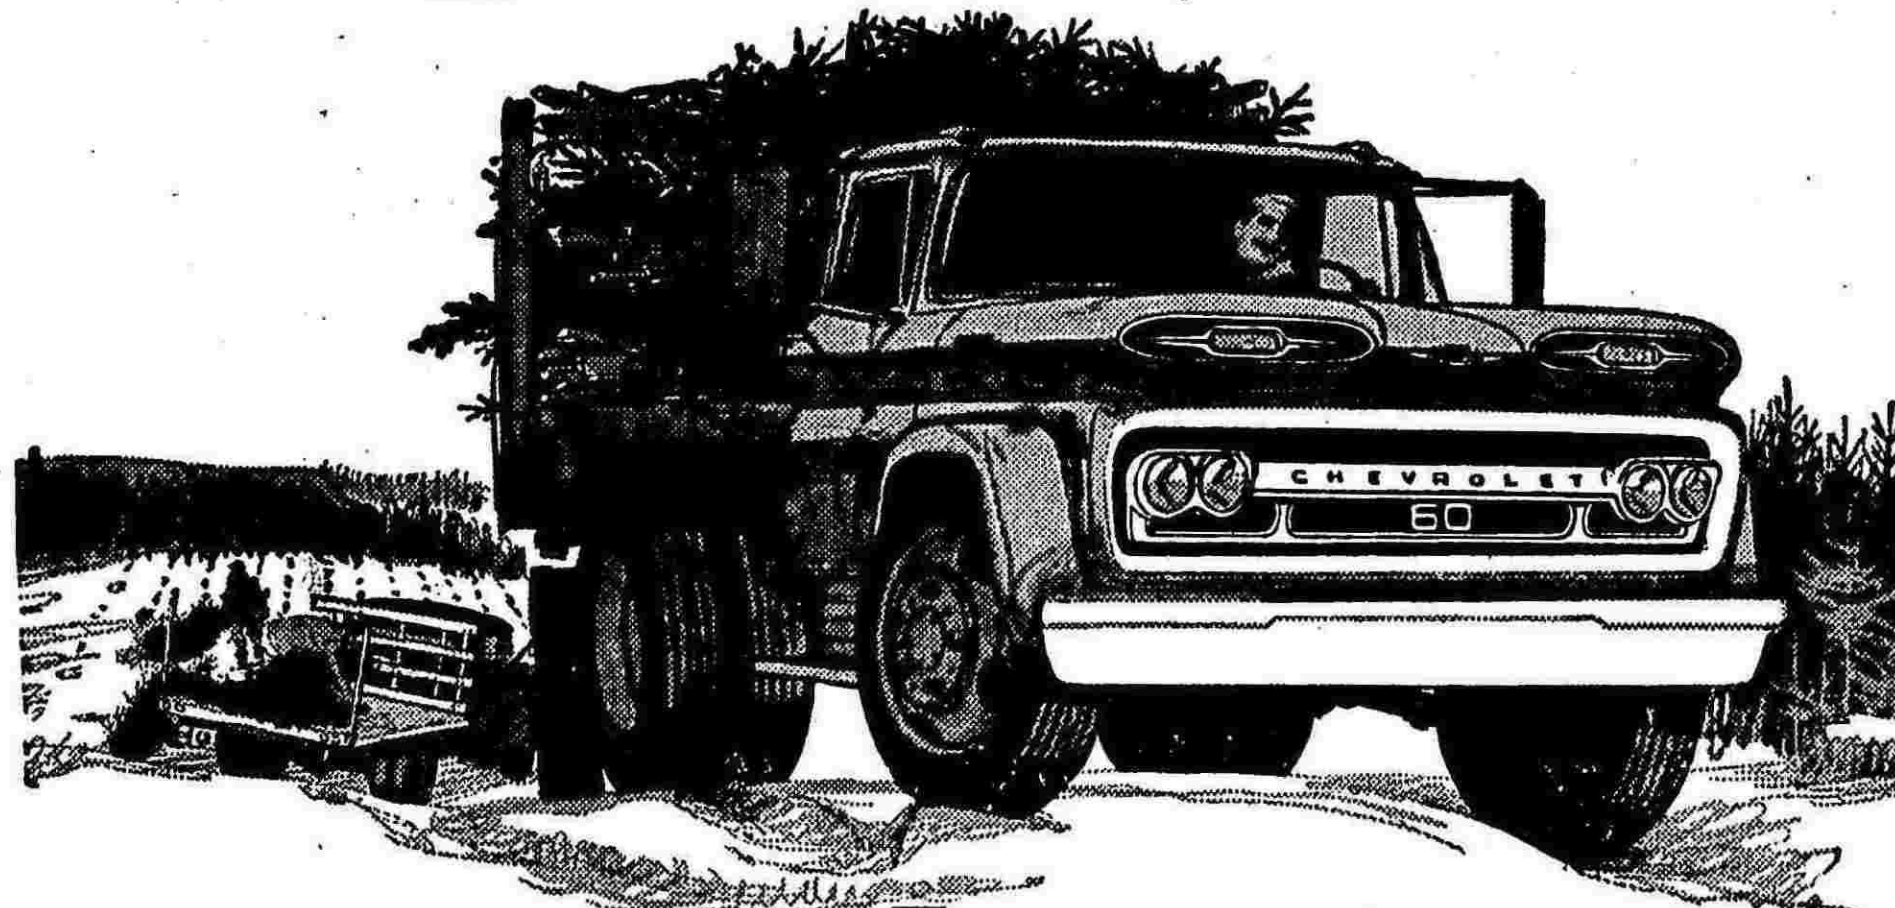

Because they ride easier they last longer, too. They take better care of payloads and they make a long day's work a lot more pleasant for the driver. All that—primarily because of Independent Front Suspension (I.F.S.). If you think it's stretching a point to attribute that many advantages to a suspension system, you haven't driven a new Chevy with I.F.S. Take the wheel and feel its road-leveling ride, its almost total absence of shimmy and wheel fight, its ease of steering even in the big rigs. Spend hours behind the wheel and you're not nearly as tired. You're not and neither is the truck. That independent suspension soaks up the worst shock and vibration—the kind that can twist sheet metal and loosen joints and increase your maintenance costs. That's why Chevy trucks keep on working and saving for extra thousands of miles.

I-beam type front axle. A stiff-beam design that transmits road shock right through the truck.

Cherry Independent Front Suspension. Wheels flex independently, minimize body wear and tear.

Staff Seeks to Make Lake Villa Library 'Hub of the Community'

LAKE VILLA—In reviewing activities of the Lake Villa Township Library, Mrs. Ted Belke, librarian, revealed that the board and staff seeks to make the library "the hub of our community."

"We are eager to serve everyone in the township who enjoys good books, music or art... and are constantly adding new books, records and art prints which may be borrowed for enjoyment in our own home," she said.

Children and young adults are major users of library facilities, Mrs. Belke revealed, particularly for homework and pleasure reading. Friday night is "Music Night" and continues to be popular with those who enjoy listening to music while reading.

Readers in general are a generous group who like to share with others, she said. The library has recently received several excellent donations from Charles Wullenbuecher, Mrs. Gonen, Lloyd Atwell, Mrs. Dorscher, Kay Stollenwerk, John and Linda Lodace, Ellen Petersen, Barbara Nedoli, Barbara Van Fleet, Mrs. Clare Appleby, the Rev. L. H. Messersmith, Mrs. Frank Albert and Mrs. William Thompson.

Christmas Was Once A Boisterous Time

Christmas celebrations became so merry in Merrie Old England that they were abolished.

World Book Encyclopedia notes that the Puritans prohibited the boisterous observances in the 1640's. They threw out ministers who dared to hold services on Christmas Day and jailed anyone who didn't treat Dec. 25 as a common work day.

But while the Puritans were taking over England under Oliver Cromwell, they were losing the battle of Christmas. Riots broke out in 1647 protesting the ban of the holiday. And an outraged group of 10,000 men passed a resolution declaring that if they couldn't celebrate Christmas, they'd just as soon have the king back.

A few years later, the Puritans proudly beheaded King Charles I. But the English people invited his son, Charles II, to come back in 1660 and Christmas, as well as the monarchy, was restored to England.

Attends 3-Day Institute On Science Literature

LAKE VILLA—Mrs. Ted Belke, librarian of the Lake Villa Township Library, recently attended an institute on collecting science literature for general reading. The workshop was conducted by the University of Illinois Division of University Extension and Graduate School of Library Science.

Featured were discussions and papers by several nationally known scientists including Dr. Watson, Davis, director, Science Service, Washington, D. C., who presented an interesting lecture paper.

The three-day institute was held at Robert Allerton Park, Monticello, Ill.

Librarians find such science seminars of much help in the complex problem of choosing the proper science book to buy for a community library which must furnish reference material for three high and two elementary schools, Mrs. Belke said.

Woman Sues Barrington Resident for \$250,000

A Fox Lake woman has brought suit for \$250,000 in Lake County Circuit Court against a man who, she charges, raped her.

The woman, 21, sued Glenn W. Anderson, 34, of Arrowhead Lane, Barrington, in connection with an alleged incident the night of Jan. 10-11 near Grand Ave. and Grub Hill Rd., west of Lake Villa. The woman charges Anderson slugged and raped her "in a lonely place" after she had accepted his invitation to accompany him to a restaurant.

No formal charge has ever been filed against Anderson in this case, according to the county prosecutor.

Books for the Holiday Hostess New Fare at Township Library

The Antioch Township Library will be closed for the Christmas holidays, Saturday, Dec. 24, and Monday, Dec. 26. No books will be marked due on the dates the library is closed.

Three books which will intrigue holiday hostesses have been received at the Antioch Township Library.

"The Home Book of French Cookery" by Germaine Carter, emphasizes the traditional French cooking instead of the extremely complicated dishes that are generally associated with the French cuisine.

Most of the recipes are simple and eminently suitable for home use.

The fourth edition of "Decorating Cakes for Fun and Profit" abounds in delectable treats for party giving. Many fine recipes for cakes and frostings are included with complete directions for beautiful "special occasion" decorations. Both of these books are available at the library in memory of Mrs. Anna J. Kopriv.

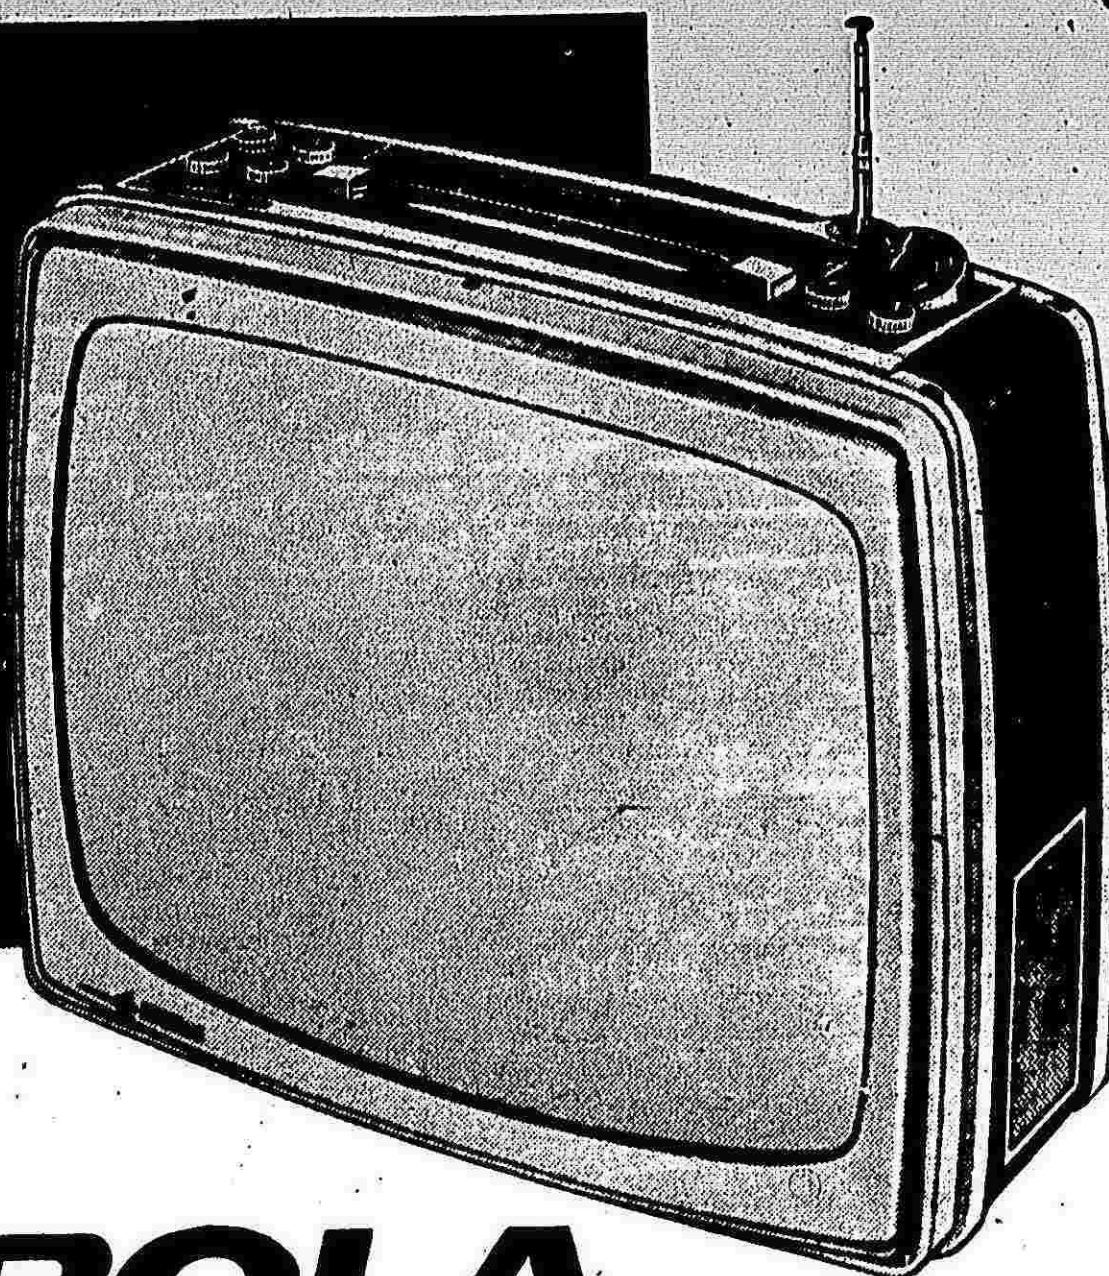

Given in memory of Mrs. Georgia Nelson, "Thoughts for Buffets" has a hundred menus, all planned for buffet service. To assist the busy hostess, recipes are given for all dishes included in the meals as well

as instructions for preparing some of the dishes well ahead of time. John Harriman, in his financial column and his radio program, has drawn attention to the important fact that the United States is no longer the sole economic giant in today's world. His new book, "It's Your Business," discusses the fiscal problems that are front page news these days and the trade and aid that are important components of the Cold War. "It's Your Business" is a memorial book for Hanford E. Shepard.

You are looking at the forerunner of all TV to come. Five years of intensive research and development have gone into the precision manufacture of this magnificent set.

Instead of tubes, it uses the miracle of the missile age—transistors—and the resulting dramatic breakthroughs in miniaturization and circuitry in the revolutionary hand-wired chassis set new standards in performance and reliability.

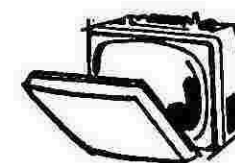

You've never seen a better TV picture or operated a set with finer response to the controls. And because transistors last indefinitely, generate so much less heat than tubes, the Astronaut establishes a reliability never before known in TV.

For those who appreciate the finest, the Astronaut defies comparison. Here, at last, is large screen television which does not have to be confined to an electrical outlet for its operation.

Church Clubs Schedule Joint Christmas Party for December 19th

By Mrs. Frank Edwards

MILLBURN—The Couples' and Men's clubs of the Millburn church will hold a joint meeting Monday, Dec. 19, beginning at 7 p.m., at the church for their annual Christmas party.

Members are requested to bring a gift for every child brought, value not to exceed 50c. In the traditional gift exchanges, ladies' gifts will be wrapped in white, men's in red. Price again is not to exceed 50c.

Each family attending will bring cookies for refreshments and items of food to be boxed for shut-ins.

Regular services at Millburn Congregational church Sunday morning, Dec. 18, consist of Sunday School and church services at 10 o'clock.

The Senior Department of the Sunday School will present a Christmas program at the church Sunday evening, Dec. 18, at 7:30.

The Primary department of the Sunday School will present a program at the church Friday evening, Dec. 23 at 7:30 p.m. Santa will be present with treats for all.

Members of the Study Group met at the church Dec. 8, followed with a pot-luck dinner at noon. The next meeting will be held Jan. 12 at the home of Mrs. Bert Doolittle.

Mr. and Mrs. John Edwards and daughter, Lynn, of Libertyville spent Sunday evening at the home of Mrs. Frank Edwards.

Arthur Hauser of Kenosha, Mr. and Mrs. Orville Hairrell and sons of Waukegan, Mr. and Mrs. Elmer Hauser and children of Beach, Mr. and Mrs. Glen Hauser and son of Hickory, and Mr. and Mrs. Clarence Hauser of Paris Corners, surprised their father, Frank Hauser, on his birthday at the Hauser home Sunday evening.

Miss Sharon Weber of Chicago spent the weekend with her parents, Mr. and Mrs. Clifford Weber.

Rev. and Mrs. L. H. Messersmith were dinner guests of Mr. and Mrs. Clarence Haase of Antioch Sunday.

Mr. and Mrs. Rex Fleming of Chicago were callers at the home of Mrs. Harley Clark Sunday afternoon.

Mr. and Mrs. Leslie Bonner were dinner guests of Miss Belle Hughes of Waukegan, Sunday.

Denise Feline, daughter of Mr. and Mrs. Clarence Haase, born Nov. 8, was baptized at the Sunday morning service.

Rev. and Mrs. L. H. Messersmith were dinner guests of Mr. and Mrs. Lloyd Miller of Trevor Saturday.

The 7th and 8th grade pupils of Millburn School attended the Passion Play at Kenosha, Friday afternoon.

Rev. and Mrs. L. H. Messersmith attended the annual Chicago city mission Society dinner at the Palmer House, Friday evening.

Lake Villa Man on Top Red Cross Team

LAKE VILLA—Robert Hammitt, Lake Villa resident, was a member of the winning team last week when members of mobile first aid units of the Lake County Chapter of the American Red Cross participated in a practice alert at the county fair grounds.

During the alert, mobile unit members were assigned to teams and tested on two simulated accident problems. One concerned treatment of an auto victim, the other treatment of a home injury accident where the victim had fallen from a roof.

Teammates of Hammitt were Miss Donna Lasky, Kenosha; Ed Calarno, Ingleside; James Barkley and Charles Goodrode, Highland Park; Vincent Brozowski, Mundelein; and Bud Grost, Lake Bluff.

Red Cross mobile first aid units are formed to give emergency treatment to automobile and other accident victims. At present there are more than 100 such units in Lake County.

RN Schedules Election Meeting In Early 1961

By Mrs. Fred Bartlett
El. 6-5373

LAKE VILLA—The Royal Neighbors of Cedar Lake Camp, Lake Villa, will skip the usual meeting on Monday, Dec. 26. Their next meeting will be in January with primary business the election of officers. Names will be drawn for secret pals.

Two buses of 7th grade pupils from the Lake Villa school spent Saturday at the Museum of Science and Industry in Chicago. A few parents acted as chaperones.

The Lake Villa Firemen will be busy this week erecting Christmas lights on Cedar Ave., Lake Villa, in keeping with the Yule spirit.

Mr. and Mrs. Dewyne Sands of Trevor, Wis., and Mrs. Ada Barnstable of Lake Villa were visitors Sunday at the home of Mr. and Mrs. Joseph Botta.

Mrs. Clarence Blumenschein, Mrs. Ann Nelson and Mrs. Fred Bartlett, Sr., were Kenosha shoppers Tuesday.

Mr. and Mrs. Henry Jarvis and family visited Mr. and Mrs. Joe Wagner of Brighton, Wis., and Mr. and Mrs. Louis Williams of Bristol, Wis., Sunday.

Mrs. Eleanor Bryant entertained relatives from Wauconda and Waukegan over the weekend.

Mr. and Mrs. Carl Reinebach are spending the winter in Florida.

Mr. and Mrs. Clark Wetterberg and son, and Mary Kay Jarvis attended a basketball game at Waukegan Saturday.

Danny Slazes, stationed at the Marine base at Camp Pendleton, San Diego, Calif., has complete his training course and will come home to spend Christmas with his parents, Mr. and Mrs. Frank Slazes, Sr.

Mr. and Mrs. Herman Starling and son, and Mr. and Mrs. Thomas Riddle and son are enjoying a week's vacation visiting relatives at Tupelo, Miss.

Mrs. Verden Killough and son, Ronald, of Waukegan, were visitors recently at the home of Mr. and Mrs. Fred Bartlett, Sr.

Mr. and Mrs. John Vanderspool of Waukegan were visitors Friday at the home of Mr. and Mrs. William Fish.

Mr. and Mrs. Howard Fish and family of Algonquin were visitors Sunday at the home of Mr. and Mrs. William Fish.

ASC Program Set To Boost Soil Conservation

The Agricultural Stabilization and Conservation (ASC) program has two stripcropping practices that were set up to encourage more conservation of the soil, according to Lee Smith, County Horticultural Agent.

Smith said Practice 6 is the establishment of contour strip cropping on sloping lands to protect the soil from water erosion. There is cost sharing of \$4 an acre in this practice. Many times stone piles, stone fences and hedgerows need to be removed to set up the strip system. There is cost sharing up to 50 per cent of the approved costs for the removal of these obstructions.

Practice 7 is a strip cropping system set up to aid in protecting the soil against wind erosion, Smith said. Here the strips are generally on level lands where wind can remove a lot of topsoil. The strips are alternate strips of row crops and sod crops at right angles to the prevailing wind. The strips can be from 3 to 12 rods wide and cost-

Pvt. Anderson Completes Basic Army Training

Pvt. Ralph I. Anderson, son of Mr. and Mrs. Irving B. Anderson, Rt. 3L, Antioch, completed his Army basic training Dec. 8, at Fort Leonard Wood, Mo.

The eight weeks of basic training begins the Army service of all enlisted men, in which they are taught the fundamentals of self defense in battle, firing of the rifle, knowledge of basic military subjects, and physical conditioning. Fort Leonard Wood is the nation's largest engineer training center.

sharing is available at the rate of \$1 per acre.

There are many acres of sloping land in Kenosha County that need protection against wind erosion. On most of these lands, the stripcropping system is the easiest to establish, Smith said.

How does one go about setting up such a system?

The first thing is to ask for technical assistance of the Soil Conservation District, which includes all of Kenosha County. Tony Marlini is the technician provided by the District to give technical help to all landowners. A soil map is made up of the farm and erosion control practices are recommended based on the capability of the soil.

Stripcropping is generally needed on all slopes greater than 3 per cent. The width of the strip is generally about 100 feet wide, which allows machinery to be used easily. It is easier to work on the contour around the hill with tractors, than to be continually going up and down the hill—which wastes fuel.

Smith said that the farmer can expect about a 10 per cent increase in net profit per acre where the stripcropping system is used. He has found that from 6 to 10 inches of top soil has been lost from many of the Kenosha County hills. Stripcropping will eliminate this waste of the topsoil.

The county agent's office can give more information on good Soil Conservation practices.

Soil Conservation Speech Contest Scheduled Jan. 11

SALEM, Wis.—The Soil Conservation district supervisors of Kenosha County have announced the date for the annual speaking contest as Jan. 11, 1961, at the Salem Consolidated School, according to Earl Elfers, chairman. The District Supervisors appointed a committee to conduct the contest. This committee includes: Mrs. Margaret Gustafson, superintendent of schools; Tony Marlini, soil conservation technician; and Lee Smith, county horticultural agent.

The District Supervisors also voted to provide first and second place prizes of \$3 and \$2 respectively, for each of the four classes. The four contest classes are: junior class, which includes any elementary school pupil; youth class for high school students; college class for any college or university student; and the adult class for anyone over 21 years of age.

The subject matter of the speeches can be of any phase of conservation—soil, water, wildlife and forestry.

The talks should be between 17-10 minutes long, except junior class talks, which should be from 5-7 minutes.

County winners will compete at an area contest. Area winners then go on to a state contest. State winners will be awarded \$50 U. S. Savings Bonds. The runner-up in each class will be awarded a \$25 U. S. Savings Bond.

Anyone interested in entering this contest can contact the county superintendent of schools office or the county agent's office in the Courthouse for rules and additional details.

Miss Pickus in Honors Program

Miss Sonya Pickus, 988 Victoria St., Antioch, is among the 788 undergraduate students enrolled in the University of Michigan's College of Literature, Science and the Arts in an honors program for gifted students. The honors program was inaugurated in 1957 to meet the fullest development of talented youth, according to director Robert C. Angell.

Students are selected for the program on the basis of high school grades, test scores and other information, and must maintain a 3.0 (B) point average to remain in the program.

The word "Xmas" as a form of Christmas originated in the early Christian church, reports World Book Encyclopedia. The Greek, X, is the first letter of Christ's name. It was often used as a holy symbol.

Family Celebrations

Mr. and Mrs. Fred Bremer of Little Silver Lake visited at the home of their granddaughter, Mrs. Clarence Kellogg in Westchester, over the Thanksgiving holiday. The families also celebrated the wedding anniversary of Mr. and Mrs. Kellogg, the sixth birthday of their son, Edward, and the second birthday of their daughter, Karen.

Circle to Meet

The Esther Circle of WSCS will meet Thursday evening, Dec. 15, at the home of Mrs. William Kufalk, S. Main Street.

Winter in Florida

Mrs. Helen Luedtke and mother, Mrs. Josephine Parash, left Monday for Bonita Springs, Fla., where they will spend the winter.

Grant High Commercial Club Elects Officers

At a recent meeting of the Grant High School Commercial Club, Robert Schug was elected president, Patricia Longley was named vice president, and Margaret Whitney, secretary. Treasurer is Robert Stenzel.

Among activities sponsored by the Commercial Club is the annual Amateur Show, held in March, in which some 80 students participate.

Queen Victoria's marriage to Prince Albert helped introduce the Christmas tree into England. Research experts say Albert brought the custom with him from Germany and set up a tree in Windsor Castle in 1841.

Arthur Andersen, Governor, and Robert Avery, Institutional representative of Antioch Moose Lodge, attended a dinner and meeting at Grayslake of the North Shore Boy Scouts of America Area Council Dec. 7. The Antioch Moose are the sponsors of Pack 92, and also of the Cub Scouts.

On Sunday, Dec. 18 there will be a children's Christmas party from 2 to 5 p. m. for Moose children through 12 years of age, at the Antioch Moose Home.

This Year

Say...

"Merry Christmas"

with a gift subscription to
The AMERICAN LEGION Magazine

What better way to say "Merry Christmas" than to say it with a gift subscription to The American Legion Magazine ... a monthly reminder of your thoughtfulness.

Your friends will chuckle at the cartoons, be appreciative for the helpful information contained in the "Personal Affairs" column, read with interest the straight - from - the - shoulder items in the "Editor's Corner," and just plain enjoy the many articles which appear each month on sports and adventure.

Important issues of the day are reviewed "Pro and Con," sportsmen will read with interest the helpful hints on hunting and fishing, and all good Americans are interested in the informative articles on communism.

Yes, this year say "Merry Christmas" with a gift subscription to The American Legion Magazine.

Leaves for Europe

Anton W. Johnson of Lake Catherine left Antioch early this month for New York, where he will embark for Sweden on the Kungsholm, a ship of the Swedish-American line.

He will visit his sister, Mrs. Ester Nilsson, and her family at Hoganas, Sweden, whom he has not seen for 51 years. Mr. Johnson expects to return to Antioch by April 1.

Pontiac trims side overhang
to give you a new Wide-Track...greater stability

Notice that the sleek lines of the body are closer than ever to track width. We've trimmed side overhang. Every inch and ounce of this '61 Pontiac travels with steadier footing.

The change is also noticeable inside. We've increased seat height and allowed more headroom, legroom and footroom.

Clearance between steering wheel and seat is 12 per cent more than before. Doors are wider, swing open farther.

More balanced in motion. More comfortable inside. That's the Wide-Track way to travel. And there's only one place to try it...in a '61 Pontiac! Take a deciding drive soon.

THE ONLY WIDE-TRACK CAR! Pontiac has the widest track of any car. Body width trimmed to reduce side overhang. More weight balanced between the wheels for sure-footed driving stability.
